INTERNATIONAL SOCIETY FOR MAGNETIC RESONANCE IN MEDICINE 2003 Annual Meeting

May 10 - 16, 2003

On behalf of the Government of Ontario, I am pleased to extend greetings to everyone attending the 2003 Annual Meeting of the International Society for Magnetic Resonance in Medicine.

This annual meeting provides an excellent opportunity for those in your field to share information and promote communication, research and development. May the knowledge you gain during this event take you one step closer to improving techniques and practices in magnetic resonance in medicine.

I offer a special welcome to those of you who have travelled a long way to be here. Ontario is a beautiful Province, and Toronto offers the best in entertainment, cultural events and sightseeing. I encourage you to sample our hospitality during your visit.

Please accept my best wishes for a successful and rewarding annual meeting.
