

### Security

The International Society for Magnetic Resonance in Medicine will provide one security guard at the entrance of the exhibit hall on a 24-hour basis and an additional roving guard during closed hours only throughout the exhibition, including set-up and dismantle. If individual security needs are required for an exhibitor's booth, the exhibitor should contact the ISMRM for information on hiring security personnel from the appointed security company, Target Security, or access the forms available in the Exhibitor Service Kit. The ISMRM is not responsible for any loss of or damage to any property, for any cause.

**For further information regarding special security arrangements, contact:**
