

Authors with Financial Interests or Relationships

The ISMRM is committed to:

- Ensuring balance, independence, objectivity and scientific rigor in all Continuing Medical Education (CME) programs; and
- Presenting CME activities that promote improvements or quality in healthcare and are independent of commercial bias.

Therefore, it is the policy of the Society that any person who has influence over the content of a program designated for *AMA PRA Category 1 Credits™* must disclose any real or apparent financial interest or relationship (i.e., grants, research support, consultant, honoraria) that they or their spouse/partner have had in the last 12 months with "any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients."

The ISMRM does not imply that such relationships are inherently improper or that such interests would prevent the speaker or organizer from making an objective contribution. However, it is imperative that these relationships are identified in order to manage or resolve potential conflicts of interest before the program, and participants at the CME activity may have these facts fully disclosed in advance. It then remains for the audience to determine whether an individual's outside interests may reflect a possible bias in either the exposition or conclusions presented

Following are the names of all presenters, committee members and organizers who had influence upon program content. If individuals have disclosed real or apparent financial interests or relationships, the interests or relationships are described.

Addendum to Declaration of Financial Interests & Relationships: www.ismrm.org/15/Declaration_Addendum.pdf

Authors with Financial Interests or Relationships:

2890	Adluru, Ganesh	Grant support: Siemens
3870	Afzal, Aneela	Inventor of a patent licensed to a company: Imbio
1046	Agarwal, Harsh	Salary: Philips
3851	Agarwal, Harsh	Salary: Philips
0706	Aggarwal, Kamal	Research Support: General Electric
3579	Ahn, Sinyeob	Salary: Siemens
1640	Airan, Raag	Grant support: Philips
