Chief of Neuroradiology at Children's Hospital of Philadelphia

The Children's Hospital of Philadelphia and the Department of Radiology at the Perelman School of Medicine at the University of Pennsylvania seek candidates for an Associate or Full Professor position in the non-tenure clinician-educator track. Responsibilities include teaching medical students, residents, and fellows. Candidate must have completed a radiology fellowship program, have substantial experience in pediatric neuroradiology and administrative experience. In addition, candidate must have outstanding research track in pediatric neuroradiology and if possible evidence of grant-funding. Prior leadership experience in a formal administrate role is preferred. The successful candidate will be of renowned stature in the area of pediatric neuroradiology and ABR and CAQ certified or equivalent. Applicants must have an M.D. or M.D./Ph.D. or equivalent degree and have demonstrated excellent qualifications in education, research, and clinical care.

Primary location is at The Children's Hospital of Philadelphia. The Division of Neuroradiology is comprised of 8 pediatric neuroradiologists, and CHOP maintains the state-of-the-art radiology facility.

We seek candidates who embrace and reflect diversity in the broadest sense.

The University of Pennsylvania and The Children’s Hospital of Philadelphia are EOE. Minorities/Women/Individuals with disabilities/Protected Veterans are encouraged to apply.
