**Campus Description:** Long Island's premier academic medical center, Stony Brook Medicine represents Stony Brook University's entire medical enterprise and integrates all of Stony Brook's health-related initiatives: education, research and patient care. It encompasses Stony Brook University Hospital, Stony Brook Children's Hospital, the five Health Sciences schools — Dental Medicine, Health Technology and Management, Medicine, Nursing and Social Welfare — as well as the major centers and institutes, programs and more than 50 community-based healthcare settings throughout Suffolk County. With 603 beds, Stony Brook University Hospital serves as Suffolk County's only tertiary care center and Regional Trauma Center. Stony Brook Children's, with more than 160 pediatric specialists, offers the most advanced pediatric specialty care in the region.
