

Section for Magnetic Resonance Technologists

You are cordially invited to attend the upcoming SMRT New England Regional Educational Seminar, on Saturday, 1 November 2008. The seminar will be held at the Bornstein Family Amphitheater at the Brigham and Women's Hospital, 45 Francis Street, Boston, Massachusetts.

This 3rd Annual Seminar is hosted by the SMRT New England Chapter, the one-day program represents a range of topics pertinent to MR professionals of all experience levels balancing Cardiac, Musculoskeletal, Vascular MRI/MRA, MRI Research, MR Physics and Patient Care topics in MR. We are fortunate to have a roster of exceptional speakers who are dedicated to providing quality education for our MRI community.

The SMRT New England chapter is grateful to our sponsors and the SMRT Central Office located in Berkeley, California, for helping to make this seminar possible. The combined commitment to providing educational opportunities for our local communities helps to ensure the highest possible level of professionalism in our field.

We encourage those who are new to the SMRT and its educational mission to visit the SMRT web site at: <http://www.ismrm.org/smrt> to learn more about the benefits of becoming an SMRT member. In addition, if you are not a current SMRT member, please consider joining with your registration and take advantage of the discounted seminar fee.

SMRT regional seminars are an excellent venue for technologists to add to their current knowledge base within a dynamic modality, networking with colleagues in the field of MR, as well as earning 7 Category A Continuing Education credits. Continental breakfast and lunch will be served as well as the morning and afternoon breaks. We hope to see you there!

Sincerely,
