

Program Faculty

Talented local MR radiologists, radiographers and scientists will join the keynote speakers in a program designed to explore MRI techniques and practice. Check the ANZ Chapter website for the meeting program <http://www.ismrm.org/smr/chapters/anz.htm>

Keynote Speakers

Speaker	Topics
Professor Scott W Atlas Stanford University Medical Centre	Recent Advances in Brain MRI Imaging Brain Tumours
Charles Stanley Stanford University School of Medicine	3D MRI Innovations MRI in the Media

Please join your colleagues for two days of MR education, networking and professional exchange. An outstanding international and local faculty will bring you a varied program addressing a wide range of basic to advanced MRI topics.

Dr Scott W. Atlas, Professor of Radiology and Chief of Neuroradiology at the Stanford University Medical Centre, is the editor of the leading textbook Magnetic Resonance Imaging of the Brain and Spine, and has authored more than 120 scientific publications in leading journals. Dr Atlas will speak on 'Recent Advances in Brain MRI: High Field and Beyond' and 'Imaging Brain Tumours: Fundamentals and Advances'.

Charles Stanley is the Manager of the 3D Quantitative and Imaging Lab. at Stanford University School of Medicine. He is the 2011-2012 President of the SMRT and will address '3D MRI Innovations' and 'MRI in the Media'.

Our international keynote speakers will join a talented local faculty presenting on a variety of MR topics including MR physics, neuro imaging, cardiac, paediatric, pelvic, non contrast MRA and musculoskeletal MR. The meeting will again include proffered papers and poster submissions. Registration includes a Saturday night cocktail function at Brisbane Convention and Exhibition Centre.

Want to share your work with your colleagues?

MR professionals are invited to submit an abstract with either a clinical, research or case-based focus. Abstracts may be submitted in the form of oral or poster presentations. The authors of the highest scored abstracts will have the opportunity to present their work in an eight minute oral presentation. The highest scored abstract will receive the Presidents Award, a cash prize and complimentary 2012 membership to the SMRT.

Abstracts must be submitted online via the ANZ Chapter SMRT website; <http://www.ismrm.org/smr/chapters/anz.htm>. The deadline for abstract submission is the 30th June 2011. An abstract template and information on how to write an abstract can be found online at: www.ismrm.org/smr/chapters/ANZ/ANZ11Call.htm.

Please contact the Meeting Co-Chairs if you would like more information.

* The room rate listed is in Australian dollars and includes GST. Rate is based on a per room, per night basis with a 2pm check in and 11am check out.

ABOUT THE SMRT

The Section for Magnetic Resonance Technologists (SMRT) is the leading organisation providing an international forum for education, information and research in Magnetic Resonance (MR) for MR technologists and radiographers throughout the world. The SMRT operates as a section of the International Society for Magnetic Resonance in Medicine (ISMRM).

The Section for Magnetic Resonance Technologists (SMRT) was founded to provide a forum for education, information, and research in the field of magnetic resonance. The primary objective of the SMRT is to advance the education and training for MRI/S technologists and radiographers worldwide. The SMRT is committed to promoting the communication and dissemination of information regarding current and emerging technological advances to its members. The SMRT is a non-profit organisation.

ENROLLMENT APPLICATION

6th Annual Meeting of the SMRT ANZ Chapter • 2011

6th Annual Meeting of the SMRT ANZ Chapter
13th and 14th August 2011

Brisbane Convention and Exhibition Centre
Brisbane, Queensland, Australia

Register by 1st July and Save!

6th ANNUAL MEETING
of the SMRT ANZ CHAPTER

13 & 14 AUGUST 2011

Brisbane Convention and Exhibition Centre
Queensland Australia

A comprehensive educational program that features:

- Neuro Imaging
- Non Contrast-Enhanced MRA
- MRI Physics and sequence update
- Musculoskeletal, Pelvic and Paediatric Innovations
- Cardiac MRI
- Proffered Papers and Poster Submissions
- CPD Credits from the NZIMRT, AIR and RANZCR
- Saturday Night Function
