

2006 Exhibitor ISMRM Web Site Links

www.ISMRM.org

The ISMRM maintains and continually updates its own web site: <http://www.ismrm.org>. You are encouraged to visit this website for more detailed information on what is new with the ISMRM and SMRT, as well as obtain program information on the Society's Annual Meeting and Workshops.

A benefit of exhibiting with the ISMRM is receiving a link to your company's web site from the ISMRM web site **free of charge**. To view your link please visit: <http://www.ismrm.org/06/tech/exh06.htm>. If your company's web site is not featured and you wish it to be so, please e-mail your web site address to Katie Simmons at katie@ismrm.org. Please allow 1 week for the link to become active.

As long as you continue to be an exhibitor with the ISMRM, we will maintain the link to your web site. If you choose not to exhibit in May 2007, the link will be discontinued at that time. If you have further questions about this, please do not hesitate to contact Katie Simmons.

As always, the ISMRM appreciates your contribution to our meeting and looks forward to seeing you in May for our 2006 Meeting.
