Carpet

Charcoal carpet tiles will be laid in the aisles only. Booth carpeting is not included and must be ordered on the Harry the Hirer Order Form refer page 5 of the brochure for rates

Charcoal

Walls

The shell scheme booths consist of White MDF Octanorm 2.4m high panels. The best method of affixing posters etc is to use velcro dots (male & female)

Furniture

Harry's has Australia's largest and most contemporary range of exhibition display equipment. Refer to our catalogue or visit our website to view the full range.

Fascia Sign

The fascia consists of a digitally printed panel insert 220mm high supported in an aluminium frame. The clear height under the fascia is 2100mm.

The company name will be printed in a white font that is 100mm high, with a maximum of 25 letters. One company sign will be provided per stand with corner stands to receive two.

Power & Lighting

Power & Lighting is not included as part of the standard package. We recommend that each 9mtr sqr stand have at least 2 x 70watt Enviro Lights and power if required.

Please refer to the Power & Lighting Order form for rates.

All order forms must be completed and returned to Harry's no later than Friday the 13th of April 2012.
