

STUDY GROUP SESSION

Title: **Pediatric MR**

Day: Thursday, 12 May 2016

Time: 13:30-15:30

Room #: Hall 406 D

Study Group

Committee: *Chair, Franklyn A. Howe, D.Phil.; Vice Chair, Andrew C. Peet, Ph.D., FRCPC; Secretary, Petra S. Hüppi, M.D.;*

Overview: A 2 hour session of presentations and discussion for this very first Pediatric MRI SG meeting. The Introduction and Welcome will introduce the committee and set out the Study Groups Aims and Objectives. Junior members will be given the opportunity to briefly present their work. Subsequently there will invited talk from expert speakers to provide the background for the Study Group aims. Finally, there will be a chaired discussion to determine the "Hot Topics" that will inform the remit of next years meeting and a potential focus for Study Group actions.
