Liability, Insurance and Security
Each exhibitor must make provisions for safeguarding its goods, materials, equipment, and display at all times. General overall guard service will be provided by ISMRM for the exhibition period, but neither the guard service nor ISMRM will be responsible for loss of or damage to any property for any cause.

All space occupied by an exhibitor must be surrendered in the same condition as it was at the commencement of occupation.

ISMRM, its officers, directors, agents, and employees, shall not be liable for and are hereby released from any claims, liabilities, losses, damages, or expenses relating to or arising out of any injury to any exhibitor personnel or to any other person for any loss of or damage to any exhibitor property or any other property where such injury, loss or damage is incident to, arises out of, or is in any way connected with exhibitor’s participation in the exhibition, to the limit of not less than one million dollars (US$1,000,000) for bodily injury, death, or property damage in any one occurrence. Such insurance maintained by the exhibitor shall include coverage of the indemnification obligations of the exhibitor under these rules and regulations and shall cover ISMRM as an additional named insured.

At the time the contract is submitted, the exhibitor shall furnish to ISMRM a certificate evidencing the insurance required by these rules and regulations to be maintained by the exhibitor. That certificate, or the related policy, must provide, to the extent obtainable, that the policy may not be canceled without at least ten (10) days’ prior written notice by mail to ISMRM by the insurance company. exhibitor acknowledges that it is responsible for obtaining, for its protection and entirely at its expense, such property insurance for its exhibit and display materials as the exhibitor deems appropriate. Any policy providing such property insurance must contain an express waiver by the exhibitor’s insurance company of any right of subrogation as to any claims against ISMRM, its officers, directors, agents, or employees.

In the event that any part of the exhibit hall is destroyed or damaged so as to prevent ISMRM from permitting an exhibitor to occupy assigned space during any part or the whole of the exhibition period, or in the event that occupation of assigned space during any part or whole of the exhibition period is prevented by strikes, Acts of God, national emergency, or other cause beyond the control of ISMRM, then the exhibitor will be charged for the space during the period it was or could have been occupied by the exhibitor; and the exhibitor hereby waives any claim against ISMRM, its officers, directors, agents, or employees, for losses or damages which may arise in consequence of such inability to occupy assigned space, its sole claim against ISMRM being a refund of the rent paid for the period it was prevented from using the space.

Special Regulations

No part of any exhibit, or signs relating thereto, shall be posted, nailed or otherwise attached to columns, walls, floors or other parts of the building or its furniture in any way to deface the same. Damage arising from failure to observe these rules shall be payable by the exhibitor. Operational equipment, audio-visual presentations, and other sound and attention-getting devices and effects may not create noise levels objectionable to neighboring exhibitors. Product and service demonstrations are to be straightforward and professional and must avoid the use of theatrical gimmicks. All activities of each exhibitor must be confined to the exhibitor’s allotted space. The exhibitor must, at their expense, maintain and keep their exhibit and the space for which they have contracted in clean and good order. Distribution of handout items such as plastic bags or token gifts is permissible upon approval from the Executive Director of ISMRM. Requests to distribute handout items must be submitted in writing to the Executive Director and/or Director of Meetings along with a sample, photograph, or written description of each item. It is the responsibility of the exhibitor to seek prior approval for any handout items that may be considered questionable; without such prior approval, the exhibitor may be penalized priority points.

Exhibitors are allowed to photograph, videotape, or electronically or mechanically record their company’s booth for exhibitor personnel during regular floor access hours without the use of electrical lighting; this includes setup and dismantling hours. Media photographing, videotaping, or electronically or mechanically recording on the exhibit floor is permitted only with prior permission. Permission requests for media coverage must be submitted in writing to the Executive Director and/or Director of Meetings at least thirty (30) days prior to move-in. All construction materials must conform to local codes. Table drapes, textile or paper displays, back wall drapes, and any decoration must be flame-proof. All exhibits and materials are subject to inspection by the local fire marshal.

**IMPORTANT:** Please review the complete Fire Regulations for Exhibitors located in the Exhibitor Service Kit. In some instances, ISMRM, the Paris expo Porte de Versailles and the Fire Safety and Shelter Department MUST approve aspects of your booth in advance. Please contact Patti McDowell at Freeman by email at patti.mcdowell@freemanco.com if you have any questions regarding required documentation. Violation of any of these rules by the exhibitor or its employees or agents shall, at the option of ISMRM, forfeit the exhibitor’s rights to occupy space, and such exhibitor shall forfeit to ISMRM all monies paid or due.
