Many hotels offering a range of quality, rates and amenities have been reserved by the Society for the meeting in Paris. Convention Housing Management (CHM) has been appointed to coordinate all hotel reservations for ISMRM attendees and exhibitors. In order to receive the special convention rate, attendees and exhibitors must make their reservations through the official housing bureau, CHM.

More detailed information on the various hotels and the hotel reservation form will be made available online through the ISMRM registration website. ***Do not contact the hotels directly in Paris as reservations are to be made only through CHM, the official housing bureau.*** Official Society hotels will not honor direct requests for hotel rooms at the special convention rates.

Important Exhibitor Housing Note:

Exhibitors are expected to secure their accommodations through CHM as part of their alliance with the ISMRM. Exhibitors who book outside the ISMRM Housing Block will be subject to loss of full priority points. This housing policy is applicable to national and international exhibitors who may or may not have their own internal travel booking agencies.
