

CLINICAL FOCUS MEETING: Cardiovascular MRI

Do you have an interest in cardiovascular MR imaging? Are you looking for new cutting-edge cardiovascular MRI protocols to implement in your clinical practice? Or are you looking for clinical challenges in need of a technical CMR solution?

The ISMRM is excited to offer **Clinical Focus Meeting: Cardiovascular MRI**, a 3-day meeting-within-a-meeting on CMR during the Joint Annual Meeting ISMRM-ESMRMB in London, designed for clinicians and scientists with an interest in MRI of the cardiovascular system. Present your research in CMR to the wider ISMRM-ESMRMB community or come and learn about basic applications, cutting-edge developments, and clinical translation of Cardiovascular MRI from renowned experts from all over the world!

JOINT ANNUAL MEETING ISMRM-ESMRMB
ISMRT 31ST ANNUAL MEETING

07-12 MAY 2022 | LONDON, ENGLAND, UK
