INTERNATIONAL SOCIETY FOR
MAGNETIC RESONANCE IN MEDICINE

About ISMRM

The International Society for Magnetic Resonance in Medicine (ISMRM) is an international, non-profit, scientific association whose purpose is to promote communication, research, development and applications in the field of magnetic resonance in medicine. Its multidisciplinary membership of 8,500+ spans the globe and consists of clinicians, physicists, engineers, biochemists, technologists, and students in the field.

"Very well-organized event. Great exhibition hall with good traffic around our booth."

"GREAT EVENT. Well done by ISMRM."

Why exhibit with ISMRM?

8,500+ MEMBERS

Our attendees are ready to network! Connect with thousands of clinicians, scientists, and technologists in the MRI industry attending the ISMRM & ISMRT Annual Meeting.

ATTENDEES FROM 72+ COUNTRIES

As an international society, ISMRM draws the attendance of MR professionals all over the world—expand your marketing's outreach!

EXHIBITOR-FOCUSED

ISMRM's Annual Meeting features a more intimate exhibition floor. This focused environment enhances engagement between exhibitors and attendees, allowing stronger relationships within the MRI industry.

INTERNATIONAL OUTREACH

ISMRM & ISMRT rotates its annual meeting around the globe—a guarantee to enhance your outreach and maximize engagement with diverse audiences annually!
