

## Max Delbrück Center for Molecular Medicine Berlin, Campus Buch, Germany

### IDEA Pulse Programming Course

The Berlin Ultrahigh-Field MR Facility at the Max-Delbrück-Center for Molecular Medicine (MDC), Berlin, Germany is organizing an IDEA course which will be held in close collaboration with Mark Brown from **SIEMENS** USA, who will be the on-site teacher.

The course will be held during the week October 10th-14th, (9am -5pm) at the Max-Delbrueck Center for Molecular Medicine (MDC), Robert-Rössle-Str. 10 , 13125 Berlin-Buch, Germany.

Workstations, IDEA environment plus comprehensive course material will be available in the classroom. The program includes various hands-on sessions and is identical to the course commonly held in Cary, North Carolina. The course language is English.

The course fee is 2000 € plus German tax including coffee breaks, a social event and comprehensive course material.

Accommodation is not included but we are willing to help making reservations in the MDCs guesthouse or in nearby hotels.

Those of you interested in sending their students or more senior scientist please feel free to contact me to reserve a seat. Seats are of limited availability and will be assigned on a *first come-first served* basis.
