One exceptional job, two exceptional cities.

MRI MRT

• Full-time, permanent

Come and join our innovative, friendly and energetic Radiology and MRI team at Hutt Valley DHB. Large enough to be interesting; small enough to know your name.

The department

The MRI department is a fast paced, quality driven, patient focussed environment with a varied workload. We are a department which is committed to providing the best clinical service and diagnosis, as well as the highest standard of patient care. The hospital specialises in plastics and rheumatology meaning the days list is always interesting and will test your skills in MRI. We run a Philips 1.5T Ingenia Scanner.

We offer a cardiac MRI service to the whole of the lower north island, including both congenital cardiac scanning and routine adult cardiac scanning.

We are a caring, bubbly and energetic team and are looking for someone who will be the right fit.

Location

Greater Wellington is a vibrant and cultural region which often ends up in ‘top lists’ of places to live in the world. It has something for everyone from the bustling streets of the city, to the hills and trails in the Hutt and surrounding areas. The Hutt Valley is home to numerous walking and mountain bike trails, great cafes and restaurants and all just 15 minutes from the capital city centre.

The Role

• Full time (part time will be considered)
• Prior experience in Cardiac MRI is preferable (but not essential – training can be given on the job)
• Immediate start preferred
• Monday to Friday (shifts between 7am and 8pm)
• Opportunity to work in general X-Ray (to keep up General Scope of Practise) if wanted
• Ongoing training and assistance with conference leave

Essential Criteria:

• Current APC and Registration with NZIMRT in MRI
• New Zealand Residency or a valid visa
• Excellent communication, presentation and time management skills and enjoy working as part of a team
• Energy and enthusiasm
• Sound judgement and decision making, and
• A commitment to outstanding patient care.

How To Apply:
