**Research Associate - Molecular Biology and Organic Chemistry**

The Department of Radiology at the Perelman School of Medicine at the University of Pennsylvania seeks candidates for a Research Associate position in the Academic Support Staff. This appointment will be initially for one (1) year and continuation during that time period and renewal are based on satisfactory performance and availability of funding (limited to three (3) years). Expertise is required in the specific area of molecular biology and organic chemistry. Applicants must have a Ph.D. or equivalent degree.

Responsibilities may include involvement in small animal PET imaging, cell-based assays with radioactive probes, cloning, Surface Plasmon Resonance (SPR) assays, and autoradiography.

The successful applicant will have an opportunity to perform front-line independent research, publish papers in the top scientific literature and develop research training for an academic career.

We seek candidates who embrace and reflect diversity in the broadest sense. The University of Pennsylvania is an EOE. Minorities/women/individuals with disabilities/protected veterans are encouraged to apply.

The University of Pennsylvania values diversity and seeks talented students, faculty and staff from diverse backgrounds. The University of Pennsylvania is an equal opportunity and affirmative action employer. Candidates are considered for employment without regard to race, color, sex, sexual orientation, gender identity, religion, creed, national or ethnic origin, citizenship status, age, disability, veteran status or any other legally protected class. Questions or concerns about this should be directed to the Executive Director of the Office of Affirmative Action and Equal Opportunity Programs, University of Pennsylvania, 421 Franklin Building, 3451 Walnut Street, Philadelphia, PA 19104-6205; or (215) 898-6993 (Voice) or (215) 898-7803 (TDD).

All applicants must apply online: [http://apply.interfolio.com/89434](http://apply.interfolio.com/89434)
