The Department of Radiological Sciences at the David Geffen School of Medicine at UCLA has an immediate opening for a Postdoctoral Scholar with expertise in magnetic resonance physics. The applicant must have a Ph.D. or equivalent degree relating to MR physics or biomedical engineering and must have hands-on experience with MR imaging. Demonstrated experience, research independence, and technical competence in MR imaging is desired. Pulse sequence programming experience on Siemens systems is desired. A strong publication record in MR imaging is also desired.

Please contact and send curriculum vitae to: Dr. Benjamin Ellingson, Department of Radiological Sciences, David Geffen School of Medicine at UCLA, 924 Westwood Boulevard, Suite 615, Los Angeles, CA 90024, or email to BEllingson@mednet.ucla.edu. UCLA is an EO/AA employer.

**Cultural North Star.** The shared values of the DGSOM are expressed in the Cultural North Star, which was developed by members of our community and affirms our unswerving commitment to doing what's right, making things better, and being kind. These are the standards to which we hold ourselves, and one another. Please read more about this important DGSOM program at https://medschool.ucla.edu/cultural-north-star.
