About the Company

Time Medical is an innovator in the medical diagnostic imaging industry aiming to bring advanced, accessible, and affordable imaging to all populations. With disruptive technologies, Time Medical has developed advanced medical imaging systems, including MRI, DR, and CT, to create cost-effective service solutions for emerging global healthcare needs. The founding team comes from leading universities such as Columbia University and Harvard Medical School. Time Medical has developed dedicated MRI systems for specialized diagnosis needs for neonatal, women's health, and elderly care.

Time Medical is now expanding and we invite talents at all levels to join our innovate team in San Francisco. You can learn more about us in our company website “www.time-medical.com”.
