

MR Imaging Scientist

The Department of Radiology and Biomedical Imaging of the University of California, San Francisco is expanding the breadth and depth of its research programs and invites candidates to apply for the position of MR Imaging Scientist. The selected candidate will be appointed at the rank of Assistant, Associate, or Full Professor in the In Residence or Adjunct series, depending on qualifications and interests.

Faculty are expected to develop an independent research program of excellence and must be motivated and successful as an independent investigator with a strong focus on ultra-fast, high resolution, quantitative imaging. An interest in Musculoskeletal imaging, focused on Orthopedics and Sports Medicine, in addition to other focus areas, is preferred. Other responsibilities include close interaction with basic scientists and clinical researchers in planning, conducting, and evaluating data. Faculty are required to teach residents, fellows, medical students, and master's students.

Candidates must have a PhD, MD/PhD, or equivalent degree in Electrical and Computer Engineering,

Biomedical Engineering, Physics or Related Field, and with postgraduate or postdoctoral training and research experience since obtaining their PhD, preferably at least two years combined. Applicant materials must list current and/or pending qualifications upon submission. The selected candidate must meet all of the qualifications at the time of appointment.

The UCSF Department of Radiology & Biomedical Imaging offers faculty salaries that are highly

competitive with the national radiology benchmarks. The University of California provides employees with comprehensive health and retirement benefit packages, in addition to many other benefits. For more information, please visit: <https://ucnet.universityofcalifornia.edu/compensation-and-benefits/index.html>

The posted UC salary scales set the minimum pay determined by rank and step at appointment. See

[Table 5](https://www.ucop.edu/academic-personnel-programs/_files/2025-26/policy-covered-october-2025-scales/t5-summary.pdf). The minimum base salary range for this position is \$131,200-\$344,400.

This position includes membership in the [health sciences compensation

plan](https://ucop.edu/academic-personnel-programs/_files/apm/apm-670.pdf) which provides for

eligibility for additional compensation.

Please apply online with CV and cover letter at <https://apptrkr.com/6674813>. In the cover letter, please include a brief description of prior teaching and research experience.

The Department of Radiology and Biomedical Imaging at the University of California is an Equal

Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, or other protected status under state or federal law.
