

A S E C T I O N O F T H E I S M R M

Join the ISMRT and fast-track your career in radiology today!

THE VALUE OF AN ISMRT MEMBERSHIP

As a member of the International Society for MR Radiographers & Technologists (ISMRT), you are part of a global community of MR radiographers, technologists, clinicians, scientists, physicists, and radiologists.

We are at the forefront of advocating for MR safety and advancing patient care in the world of magnetic resonance imaging. Join us as we continue to collaborate with our ISMRM community on projects that bridge the gap between radiographers, technologists, and researchers.

Scan the QR code (at left) with your mobile device's camera to learn more about the ISMRT.

Learn more at membership@smrt.org or visit www.ismrn.org/smrt/membership/.

WHAT YOU GET:

- Free monthly virtual meetings
- Complimentary JMRI & MRM digital journals
- Access to 20 years of digital MR archives
- Up to three free ISMRM study group memberships
- Earn and track your CE credits
- Member discounts on in-person events
- Access to ISMRT & ISMRM global network
- And so much more!
