A WORLD OF KNOWLEDGE FOR
MAGNETIC RESONANCE PROFESSIONALS

Society for MR Radiographers & Technologists • www.smrt.org

COME FOR THE MEETING - STAY FOR THE ADVENTURE!

Join SMRT "down under" in beautiful Sydney, NSW, Australia, for our 2020 Annual Meeting. Connect with our vibrant, collaborative, international family of MR radiographers & technologists, and our expansive interdisciplinary MR community of clinicians, physicists, engineers, biochemists, and industry professionals.

Take in the wonder of Sydney while discovering, along with thousands of MR professionals, the latest innovations, techniques and research in magnetic resonance. Watch the sunrise over Bondi Beach, visit the architectural genius of the Sydney Opera House, climb the engineering feat of the Sydney Harbor Bridge and taste the cultural fusion cuisine.

Come for the meeting to share and network with us as we continue the push to advance the impact and reach of magnetic resonance in medicine - and then stay for the adventure.

See you in Sydney 2020.

SMRT 29th Annual Meeting • 17–20 April 2020
ISMRM 28th Annual Meeting & Exhibition • 18–23 April 2020
Sydney, NSW, Australia

BOOK BEST HOUSING BY: 11 MARCH 2020 • DISCOUNTED REGISTRATION FEE BY: 11 MARCH 2020
VISIT WWW.SMRT.ORG FOR MORE INFORMATION ON THE 2020 ANNUAL MEETING.

The SMRT is recognized by the American Registry of Radiologic Technologists (ARRT) as a Recognized Continuing Education Evaluation Mechanism (RCEEM) and acts as an accrediting body through a continuing education system called Source for Magnetic Resonance Technologists Education (SMaRT Ed) Credits.
