Dr. Frank Shellock has been involved in clinical and laboratory research on MRI-related topics for more than 30 years. He is the founder of MRIsafety.com, the premier information resource for magnetic resonance safety and the author of the MRI safety-related, best selling textbooks - Reference Manual for Magnetic Resonance Safety, Implants and Devices and MRI Bioeffects, Safety, and Patient Management. As a commitment to the field of MRI safety, bioeffects, and patient management, he created and maintains the internationally popular web site, www.MRIsafety.com.

DIRECTIONS TO THE SAN:

Best access to the SAH Auditorium is through Level 2 Entrance from the multi-level SAN Car Park at the rear of the buildings.
